MALDIVES MARINE INDUSTRY FORUM 2024: DIALOGUES FOR A STRONGER INDUSTRY

Malé, Maldives – July 4th, 2024 - Medium Events is proud to announce the Maldives Marine Industry Forum 2024, a pivotal one-day high-level conference focused on addressing and resolving crucial issues within the marine industry. This significant event, held in collaboration with the National Boating Association of Maldives (NBAM) and the Maldives Marketing and Public Relations Corporation (MMPRC), will take place on July 6th, bringing together key marine industry stakeholders, government ministers, high-level personnel from various institutions, and representatives from private companies.

ENDORSEMENTS AND SPONSORSHIPS

The forum is officially endorsed by the National Boating Association of Maldives (NBAM) and the Maldives Marketing and Public Relations Corporation (MMPRC), underscoring its importance and relevance to the local marine industry. We are also honored to have the following sponsors, who are integral to the success of this event:

- Gold Sponsor: Maldives State Shipping (MSS)
- Silver Sponsor: Allied Insurance (Insurance Partner)
- Silver Sponsor: Ocean Group
- Silver Sponsor: Alia Investments
- Silver Sponsor: Hassan Marine Engineering Solutions (HMES)
- Silver Sponsor: Kuehne + Nagel

PURPOSE AND GOALS

The Maldives Marine Industry Forum 2024 aims to foster essential dialogue among stakeholders, addressing fundamental issues that will shape the future of the marine industry in the Maldives. This platform will serve as a bridge, closing the dialogue gap and enhancing industry awareness through collaborative discussions and strategic insights.

Participants will engage in discussions on various topics, including sustainable marine practices, regulatory frameworks, technological advancements, and economic impacts. The forum will also focus on strengthening partnerships between the public and private sectors to drive innovation and growth within the industry.

KEY HIGHLIGHTS

- High-Level Panels Discussions:** Featuring prominent speakers and experts from the marine industry, government bodies, private companies and academic institutions.
- Business Networking Opportunities:** Facilitating meaningful connections between industry leaders, policymakers, and business representatives.
- Strategic Insights:** Providing actionable insights and strategies to tackle current and future challenges within the marine sector.
